## TERMINATION OF STORAGE CONTRACT

Effective \_\_\_\_\_ (date), I \_\_\_\_\_ (print name) would like to terminate my contract with Antelope Point Marina Dry Storage / Enclosed Storage / Cruiser Slip / Wet Slip. In accordance with their contract terms, I am required to come in and notify Antelope Point Marina of my termination date for my contract.

This letter serves as documentation of my termination of my contract and to stop future charges for rent and/or stop automatic billing for the coming months. I understand that upon a 30-day notice given by me (via email / written letter) I am granted a pro-rate for this month's rent. However, I do understand if there is no 30-day notice given, Antelope Point may keep the month's rent that has been already charged, no pro-rate granted. Per my contract, all storage charges are payable in advance and are non-refundable.

I do understand that I need to have a -zero- balance with the company before I remove my vessel from its premises. Any amount due of any charges accumulated needs to be paid and taken care of with Accounting / Billing Department prior to departure. If any additional information is needed to process this request, please call me at (\_\_\_\_\_) \_\_\_\_\_ or contact me in writing via email at \_\_\_\_\_

Otherwise we will assume that our contract has ended as of the date of this letter and no further payments will be made.

NOTES:

DATED this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.
